

Bin Selection

80L, 120L, 240L

660L

Suitable for hospitality businesses and offices. We provide a compostable bin liner that is replaced each time we empty, which helps to keep the bin clean. Suitable for heavy food waste sites.

Suitable for large offices and manufacturing businesses. For paper hand towel collections or large volumes of compostable packaging. Does not accept bin liners. Waste must be bagged in compostable bags or just loose paper towels or packaging.
