GREAT PRICES! PLUS ...

HASSLE - FREE . . . one account for your skip and toilet hire!

FRESH AND CLEAN TOILETS . . . is what every builder wants!

If there's one thing on a building site that's top of everyone's list of complaints and disgruntlement – it's the state of cheap and nasty toilets that everyone has to use. Supplying clean and fresh toilets are a simple and effective way to keep your crew happy.

One phone call. One order.

Here's another thing - hire your toilets, skips and fencing through Green Gorilla and everything simply goes onto one order.

There's no hassle with multiple invoices.

Green Gorilla will deliver either flush or non- flush toilets to your site, including **FREE** delivery and one clean of your toilets per week that will keep them tidy and hygienic for everyone.

Standard Non-Flush toilet features:

- Separate urinal
- Gel hand sanitiser
- Jumbo toilet rolls
- Coat hook
- Large capacity tank
- Safety high-vis
- Non-high-viz option

Flush toilet features:

- Toilet flap
- Foot pump flushing
- Separate urinal
- Gel hand sanitiser
- Jumbo toilet rolls
- Coat hook
- Large capacity tank
- Safety high-vis
